

2010 MGH Immunology Seminar Series

Sponsored by Massachusetts Biomedical Research Corporation
Thursdays at 12 pm
Isselbacher Auditorium, MGH East, Building 149, 7th Floor
Charlestown Navy Yard

January 7, 2010

Michael Starnbach, Ph.D.
Harvard Medical School
“Inhibition of T cell responses by bacterial pathogens”

January 14, 2010

Leonard Shultz, Ph.D.
The Jackson Laboratory, Bar Harbor, Maine
“Humanized mice in biomedical research”

January 21, 2010

Kenneth L. Rock, M.D.
UMass Medical School
“The sterile inflammatory response”

February 4, 2010

Todd M. Allen, Ph.D.
Massachusetts General Hospital
“HIV sequence evolution: Identifying correlates of immune control”

February 11, 2010

Eric Vivier, DVM, Ph.D.
Centre d'Immunologie de Marseille-Luminy
“Natural killer cells and innate immunity”

February 18, 2010

Hai Ning Shi, Ph.D., D.V.M.
Massachusetts General Hospital
“Immunomodulation of bacterial colitis by intestinal helminth infection”

February 25, 2010

Hidde Ploegh, Ph.D.
MIT
topic to be announced

March 4, 2010

Gudrun Debes, D.V.M.
University of Pennsylvania School of Medicine
“Lymphocyte recirculation through inflamed tissue”

March 11, 2010

Rachael A. Clark, M.D., Ph.D.
Brigham and Women's Hospital
topic to be announced

March 18, 2010

Sergio Lira, M.D., Ph.D.
Mount Sinai School of Medicine
“Herpes, inflammation and cancer”

March 25, 2010

Laurie H. Glimcher, M.D.
Harvard School of Public Health
“The function of the mammalian stress sensor XBP1”

April 1, 2010

Derrick J. Rossi, Ph.D.
Harvard Medical School
topic to be announced

April 8, 2010

Michael Farzan
topic to be announced

April 15, 2010

Ben Medoff
topic to be announced

April 22, 2010

David S. Pisetsky, M.D., Ph.D.
topic to be announced

April 29, 2010

Laurence A. Turka, M.D.
Beth Israel Deaconess Medical Center
”The role of the tumor suppressor gene PTEN in T cell responses”

May 6, 2010

Ruslan Medzhitov, Ph.D.**
Yale University
topic to be announced

May 13, 2010

Tiffany Horng, Ph.D.
Harvard School of Public Health
topic to be announced

May 20, 2010

Florian Winau, M.D.
Children’s Hospital
topic to be announced

May 27, 2010

David Woodland, Ph.D.
Trudeau Institute
topic to be announced

** Harvard Medical School Joint Speaker
